HELLO, I AM

GAVI Israël

Artificial Intelligence & Big Data

PROFILE

Third-year Artificial Intelligence & Big Data student, passionate about IT, software development and digital technologies.

I want to put my knowledge into practice in a professional environment, develop my technical skills and contribute to concrete projects.

CAREER OBJECTIVE

Seeking an IT internship opportunity to strengthen my skills in development, databases, systems, networking and cybersecurity, while discovering the requirements of the professional world.

EDUCATION

- 2024 - 2026** • **Artificial Intelligence & Big Data**
Ascencia-Keyce
Training focused on artificial intelligence, programming, data and information technologies.
- 2021 - 2024** • **Science Track (D)**
Complexe Scolaire SEYDOU

PROJECTS

- 01 City Library**
Web application for library management, allowing the management of readers, books, loans and returns.
PHP JavaScript MySQL PDO
- 02 Network Scanner**
Networking and cybersecurity project for exploring hosts and services on a network in a laboratory environment.
Python Networking Linux
- 03 Ariel AI**
Artificial intelligence project aimed at developing a model capable of generating intelligent and relevant responses from text inputs.
Python Discord Server Android-Studio

TECHNICAL ENVIRONMENT

Development

Python · PHP · JavaScript · HTML · CSS

Databases

MySQL · SQL · PostgreSQL

Systems

Debian · Kali Linux · Windows

Networking

TCP/IP · Nmap · basic cybersecurity concepts

AVAILABILITY

Available for an internship opportunity according to the company's needs.
